The recent law destroyed the difference between wholesale and retail, making the license \$700 per anuum, \$100 to the county and \$300 to the State. The city also requires \$300 licease. This makes the license to sell liquor in Little Rock \$1,000 per annum. The number of licenses has decreased from 114 to fifty-nine, and the revenue derived shows an increase of \$8,700, the total receipts being \$41,300.
